

VERACROSS®

Approved Services Partner

What is the Approved Veracross Services Partner Program?

The Veracross Approved Services Partner (VSP) Program is a network of qualified and experienced partners who provide crucial implementation and/or support services to Veracross customers in key areas throughout the implementation lifecycle, such as project management, data migration, system configuration, report writing, technical assistance, training, and more.

Partner with the leader in SIS education technology

Accelerate your business goals

Increase your referral revenue potential

How can I participate in the Veracross Approved Services Partner Program?

1

Contract with Veracross to deliver implementation services to new schools based on seasonal or geographical needs

2

Contract directly with schools to provide expertise and assistance implementing Veracross

Changing systems is like replacing an airplane engine while you are in the air. Having an extra pair of dedicated, knowledgeable hands working with you is invaluable.

Chief Financial Officer, Germantown Academy

COMMON PARTNER SERVICES THAT SCHOOLS NEED

Work hand-in-hand with Veracross Implementation teams to ensure school objectives are met

Project manager internal tasks, decisions, and communities across key school stakeholders

Augment school staff with additional expertise for data migration or configuration

Provide additional personalized user training online or onsite

RESOURCES TO HELP YOU SUCCEED

- A comprehensive 'Quick Start Guide' to accelerate your Veracross onboarding
- Unlimited access to Veracross University, and preferred access to Implementation Certification programs
- Multi-level certification tiers to highlight your expertise in both product and implementation knowledge
- Access to exclusive partner training and information sessions
- Benefit from Veracross marketing initiatives promoting the value and availability of Approved Services Partners
- Official Veracross Services Partner and Implementation certification logos to help you promote your brand and Veracross expertise

Working with a Veracross Approved Services Partner during our implementation provided us with a boost along the learning curve – especially in query creation. Bringing a knowledgeable resource on board helped us hit the ground running.

Director of Advancement Services, Buckingham Browne & Nichols School
